EMBRA® SLEEP SOFA

Designed by 5D Studio

ENRICHED EXPERIENCE

Featuring clean, modern lines and a home-like aesthetic, Embra provides a sense of warmth and comfort. This collection of freestanding lounge, sleep sofas, and modular community seating easily creates spaces for patients, family interactions, and quiet reflection.

Embra is intuitively designed with integrated features including accessible power, storage for personal items, surfaces, and lighting. These design elements naturally bring humanity back into healing environments.
